Hi Nancy,

Teresa Clark, David Gray's assistant, ran the email search. She has access to David Gray's inbox and other records. Is that ok?

Hi Jonathan – Was this records search done using E-discovery since people can't do a self-search of their own Outlook inbox.

EPA-R6-2017-002177

All email received since January 1, 2016, by Stacey Dwyer (Compliance Assurance) or David Gray (External Affairs) that mentions or refers to Wanhua, a chemical company.

Thanks,
Nancy
